

STRATEGY PAPERS AND REPORTS

White papers and reports build credibility and awareness with the decision makers that you're trying to reach, and the Center has the team and resources to make it happen.

The Center's executive team is composed of an acclaimed group of thought-leaders and experts in information technology. Their work is recognized worldwide and is often referenced in the media, government and general public. You can trust our extensive panel of expert writers, former state CIOs and researchers to provide the information you need in a way that is useful, actionable and engaging.

The Center's executive leadership is supported by the industry's most knowledgeable and experienced assemblage of Senior Fellows as well as professional researchers, analysts, writers, editors and project managers. Together, this team has become the definitive source on information technology in state and local government.

EACH PAPER INCLUDES THE FOLLOWING:

- ▶ Page unit in white paper style
- ▶ Written by Center expert
- ▶ Sponsor formal acknowledgement on back of paper
- ▶ Professional design
- ▶ PDF is posted to the Center's homepage
- ▶ Print 2,500 copies
- ▶ Tailored distribution plan

All papers are promoted on www.centerdigitalgov.com and www.govtech.com with a request-download form. The sponsor will receive monthly download reporting after the initial distribution. The Center will host the paper for at least one year and provide monthly reporting for six months.
